October 18, 2007

We ask you to join us in contributing to the United Way of Madison County Campaign. During the next week or so you will receive a package of information regarding this opportunity.

The United Way of Madison County supports our local community and your donations will stay in our community unless you specify otherwise. Eighty-six cents of each dollar goes to agencies that help provide much needed services. You can even designate a particular agency you want to donate to from a list provided on the back of your donation form. Local volunteers form an Allocations Committee to determine how the monies should be distributed to best serve community needs. You may want to consider volunteering to help in this capacity!

Among the many agencies United Way of Madison County supports we would like to highlight several agencies we work with on a daily basis:

Crisis Services Program
HOPE Place Shelter
National Children's Advocacy Center
Boys & Girls Clubs of Greater Huntsville
Big Brothers Big Sisters of North Alabama
Girls Incorporated
CASA (Care Assurance System for the Aging and Homebound)
Armed Forces Emergency Services & Social Services, American Red Cross of
Madison/Marshall County

You can make a one-time donation or you can elect to participate in the payroll deduction program. If you have any questions, you may call either of us or our offices at your convenience.

Sincerely,

Rex Reynolds
Director of Public Safety
427-7138

Danny Loggins
Chief, Fire & Rescue
427-7401

Dr. Karen Sheppard
Animal Services
883-3630

Henry Reyes
Chief, Police
427-7001
